

THANK YOU

To all of our fans and sponsors for your support throughout the 2019-2020 season. Although it was cut short, there are a few things we wanted to share with you; our players love playing and living in Muskegon, new friendships have been forged, the organization continues to take great strides in it's commitment to build the "Best Junior Hockey Organization in the World," and we are now working diligently from our homes to prepare for the 2020-2021 season in October. Please practice social distancing during these uncertain times, but know that...

WE'LL BE BACK

Better Than Ever!
